**\*ARMY Declass/Release Instructions On File\***

Mr. John A. McCone  
The Director of Central Intelligence  
Washington, D. C. 20505

10 NOV 1963

Dear Mr. McCone:

In reference to your letter of 31 October 1963, General Stubbs retired on the 31st of October and I have been designated to serve as the Director of CBR Operations. Your kind remarks have been conveyed to him.

I hope that you will be able to visit Edgewood Arsenal sometime in the future; we can make the necessary arrangements with little or no advance notice. Meanwhile, we will be delighted to arrange a visit for members of your staff whom you wish to designate. Colonel Charles A. Morgan, Jr., at Code 11, Extension 52142, will serve as my representative for this purpose.

General Stubbs joins me in expressing our appreciation for the interest you and your staff are taking concerning the matter he discussed with you on 14 October.

Sincerely,

LLOYD E. FELLEZ  
Brigadier General, GS  
Director of CBR Operations  
OACSFOR

<p>1. I would observe that referenced correspondence does not call for a reply unless we wish to sponsor visits by our people to Edgewood Arsenal. If we have one more bread-and-butter exchange with the Director of CBR Operations, we will assume the status of pen pals.</p> <p>2. We are circulating the availability of the visitation to OSI and ORD personnel and should interest be shown, we will then communicate directly with General Fellenz.</p>
